FACILITY GUIDELINES

The *agriturismo* is family-run and applies certain rules to its guests:

- Usually the entrance gate remains closed. It is left open during the opening hours of the shop, the restaurant or on certain specific days (e.g. festivals or organised events). Therefore, in order to open it outside these hours, you will be given a pass to place on the sensor. The pass, given at check-in, is one for each room and must be returned at the end of your stay. Any loss will entail a €10 charge. You can request an additional one upon arrival or by calling *+39 3500241768*;
- From 02:00 a.m. to 06:00 a.m. an alarm will be set off in the outside area of the farmhouse, which will therefore no longer be accessible. However, the outside landing of the entrance staircase will remain accessible. For special requests for time variations, please contact us at *+39 3500241768*;
- Outside and inside the facility there are pets (dogs and cats). They are all harmless, some more exuberant and others less so. We ask you the courtesy not to give them food. In case of need we are always available at *+39 3500241768*;
- Your pet must be kept on a leash at all times.
